

INDEX

Vol. II

N. B.—The numerals refer to the continuous paging and plate numbering of the Volume, not of the separate Bulletins.

Italic numerals indicate pages on which new genera, species, or varieties are described.

Italicized words indicate important references.

A

Abert, S. T.,.....	63
<i>Actæon cossmanni</i>	176
pl. 3, fig. 5.	
<i>Actæon pomilius</i>	215
<i>Actæonina subvaricata</i>	217
<i>Actinopteria boydii</i>	17, 20,
19, 22, 23, 24, 32.	
<i>boydi</i>	45, 46
<i>delta</i>	46
<i>epsilon</i>	46
<i>eta</i>	46
<i>iota</i>	46
<i>kappa</i>	46
<i>perstrialis</i>	18, 20
25, 32.	
<i>perstrialis</i>	45, 46
<i>tenuistriatus</i>	45
<i>theta</i>	46
<i>zeta</i>	45
